# Student Instructions

As a first step, please create your account for SAS OnDemand for Academics. To register,

visit <https://odamid.oda.sas.com> and click on *Register for an account*. **Remember to choose Region – United States** **If you already have a pre-existing account and chose another Region, you will need to set up another account with United States as the Region.**

After you have successfully created your account, follow these steps:

1. Sign on the Control Center at <https://odamid.oda.sas.com>.
2. Look for the *Enroll in a course* link in the "Enrollments" section near the bottom of the page. Click this link to start the enrollment.
3. Enter the course code, copy from the previous slide:
4. Submit the form.
5. Confirm that this is the correct course and then click the button to finish enrolling.

I have also uploaded data for you to practice on prior to our workshop. I've provided instructions on how to access data & assign libraries in the next section.

Students click on  
Enrollments to find your  
course

The screenshot displays the SAS OnDemand for Academics Dashboard. At the top, the title "SAS® OnDemand for Academics Dashboard" is centered. Below the title are two buttons: "Planned Events" and "Notices". A navigation bar contains three tabs: "Applications", "Enrollments" (which is selected and underlined), and "Courses". Below the navigation bar, the main content area shows the message "You have no enrollments at this time." To the right of this message is a link that says "+ enroll in a course". On the right side of the dashboard, there is a "Reference" section with links for "Frequently Asked Questions", "SAS OnDemand for Academics Support", and "Contact Technical Support". Below the reference section is a "Quotas" section with a "(learn more)" link. It contains two progress bars: "Home Directory (189.3MB/5120MB)" at 4% and "Course Directory (143.5MB/3072MB)" at 5%. A yellow arrow points from the text "Students click on Enrollments to find your course" to the "Enrollments" tab.
