

PharmaSUG 2023 Proceedings
Copyright Grant Delay Form

To the author(s):

As a presenter, you are expected to submit the paper on which your presentation is based for publication in the PharmaSUG 2023 Online Conference Proceedings.

This form is intended for those presenters who must put their copyright grant form through an approval process and cannot return their copyright grant form on or before Friday, March 17, 2023.

This Copyright Grant Delay Form is due on or before Friday, March 17, 2023. We ask that the primary author sign this form and upload a scanned image (PDF) within the online paper submission system. Each paper requires a separate copyright grant delay form and will need to be scanned and uploaded individually. Electronic signatures are acceptable in lieu of a scanned version with a wet signature.

By signing this form, the author(s) acknowledges that he or she:

- Has approval to attend and present their content at the PharmaSUG 2023 conference.
- Will forward the copyright grant form as soon as it is approved. Please provide an estimated date that the signed / approved copyright grant form will be uploaded to the online paper submission system. _____
- Will submit a written paper for inclusion in the PharmaSUG 2023 Proceedings on or before Friday, March 24, 2023.

If you are unable to produce a scanned image of the signed copyright grant delay form, please contact the PharmaSUG Copyright Coordinator, at docs@pharmasug.org to make other arrangements.
